

# SIMON

ASSISTED MOBILITY  
FOR OLDER AND IMPAIRED USERS

## ACCESSIBLE CITY IS POSSIBLE...

### THE CHALLENGES

■ Ensure the right use of disabled parking spaces

■ Adapt mobility infrastructures in cities to **ease accessibility** and inclusion.

■ Enhance mobility for disabled and elderly: information and accessible routes using private and public transport.

### THE SOLUTION WITH SIMON APPS

SIMON MOBILE  
(citizen app)

AUTHORITY  
OPERATOR TOOL

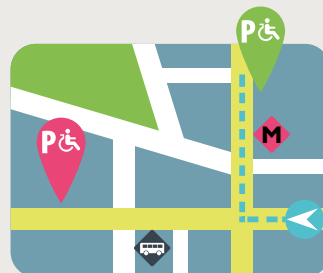

CONTROLLERS  
APP

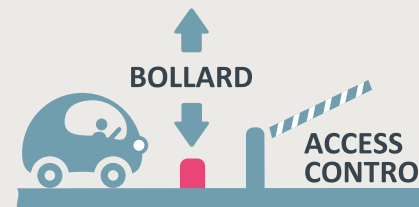

Authentication  
and Validation

Multimodal Navigation  
and Information

Restricted Areas

Identification of  
free/occupied
